

## ORDER

Came on for consideration the motion of plaintiff, Lisa
Biron, to strike under Rule 12(f) mention in the pending motion
of defendants, Warden Jody Upton, Leticia Armstrong, and E.
Dixon, to dismiss of other court cases involving plaintiff,
including her underlying criminal case. Plaintiff has also filed
a motion for extension of time in which to file her response to
the motion to dismiss so that she will be able to consider the
court's ruling on her motion to strike in preparing her response
to the motion to dismiss. The court finds that the motions should
be denied. As the motion to dismiss recites, the court may take
judicial notice of plaintiff's other court cases. The matters to
which plaintiff refers are not the type of materials described in
Rule 12(f); rather, they are pertinent and material to
plaintiff's claims in this action.

The court ORDERS that plaintiff's motion to strike be, and is hereby, denied.

The court further ORDERS that plaintiff's motion for extension of time be, and is hereby, denied.

SIGNED May 14, 2019.

JOHN MCBRYDE

United States District Judge
